Advent Appeal 2025: Help us rebuild hope in Maridi

This Advent, I'm inviting the whole diocese to stand with our partners in South Sudan through the *Maridi Diocese Family Centre Appeal*.

For years, the Maridi Family Centre has been a lifeline for women and families, offering trauma counselling, vocational training, youth engagement, and support for young couples. Run by the Mothers' Union, it has empowered hundreds of women to rebuild their lives and generate income, all with minimal external funding.

Tragically, the centre now faces demolition due to a government road expansion project, and no compensation will be paid. The community is at risk of losing not just a building, but a vital hub of healing, learning, and hope.

We urgently need to raise **£40,000** to build a new, permanent centre in a safe location in the cathedral compound. In this Advent season of hope, will you join me in helping to restore the Family Centre and its essential services?

Every donation, no matter the size, makes a difference in our partner Diocese of Maridi.

Thank you

Bishop David
